UUA's Suggested Fair Share Giving Guide can be used to establish a minimum annual pledge amount based on your family's annual income. All are invited to exceed these guidelines as you are financially able. However **All Souls Community Church** also recognizes that each family's financial situation is unique. While we invite each member family to strongly consider using the guide to establish a pledge amount, we also advise the membership to not exceed your ability to meet your family's other financial obligations.

Regular Contributions

All Souls Community Church's expenses are spread fairly evenly throughout the year. As membership pledge payments are the church's primary source of revenue, it is important that pledge payments also be made fairly evenly throughout the year. Again recognizing that each family's financial situation is unique, to the extent possible, **All Souls Community Church** asks that the membership keep current in their pledge payments throughout the year.

One method to spread payments evenly over the year is to enroll in the church automated debit program. The annual pledge amount can then be spread over the year in equal payments automatically debited from a checking or savings account on a monthly, semimonthly, or weekly schedule. For more information on this program please contact the VP of Finance. Another method for automating regular payments is to use your bank's bill payment system to make pledge payments. Payments can be mailed to the church at 2727 Michigan ST NE, Grand Rapids, MI 49506.
